WITH A FALCON AT THE HEART OF THE KITCHEN, THE KITCHEN IS ALWAYS THE HEART OF THE HOME.

WHY CHOOSE FALCON?

Falcon range cookers are hand built in Royal Leamington Spa (U.K.), at the original site where they have been produced for more than 190 years.

Falcon cookers are 70% handmade and 100% hand assembled - each cooker taking 3 days to build. On its journey around the factory over 100 people interact with every cooker, which is made up of over 2000 parts. 99% of the cooker can also be recycled, assisting in sustainability efforts.

With over 150 different design combinations to choose from, there is a Falcon cooker to match your style. Choose from modern industrial, traditional country or contemporary designs in a wide range of colour and trim finishes.

FALCON OFFER A STANDARD 5 YEAR WARRANTY

All Falcon appliances are covered by full 5 year (60 months) parts and labour warranty. Andi-Co Australia Pty. Ltd. warrants that if any part in the domestic product fails due to a defect in materials or workmanship during the 5 year (60 months) warranty period commencing from the date of invoice to the Customer, Andi-Co Australia Pty. Ltd. will provide free of charge, all labour and related service costs to replace the defective part.
